The Northport Yacht Club is primarily a volunteer organization. We try to provide a wide variety of fun activities that the entire Bayside community can enjoy, but in order for these events to happen, we need your help! Please take a moment to consider the opportunities listed below, and check off any that might interest you. *This is not a commitment at this time*, it is merely a promise that you will get a call when the event draws near... Those who have worked for the club in the past agree that this is a great way to establish new friendships and reinforce old ones. *Come join the fun!*

Several of the yacht club projects stretch over several weekends, or indeed throughout the year. You are always welcome to help out, whether you commit to a whole season or just to one day. Please indicate below items that might interest you, and the event organizer will be in touch with you:

- General meetings** (set up, help with food, clean up)
- Dock Crew** for Racing (signal start and finishes, record times, handle flags, fire cannon)
- Sell NYC Merchandise** (at specific events or at the clubhouse at specific times)
- Club Maintenance** (minor repairs, painting, mowing, watering plant boxes, etc.)

And finally, the club is always searching for new people to take on leadership roles. If you have a great idea for a fun community activity and would be willing to make it happen with a little help, write it down here. Please don't be shy! We also need new officers and directors every year. Please let us know any area where you would enjoy helping, or contact Jim Facey, NYC Commodore with your ideas. 860-653-0225 or 207-338-3118
