
John Short Series Results – 2008

The 2008 John Short Series saw 17 boats participate in all with 10 boats qualifying for series points by participating in at least four races. Top honors were comfortably secured by Gordon Fuller in Red Alert (Ranger 29), with 4 first place finishes. Apogee (Mike Giles, Ohlson 38), and Brigadoon (Nakomis Nelson, Intrepid 35) both had first place finishes but did not qualify for series standings. The table below shows the series points used to determine the standings and also each boats finish in the 7 races.

The Skipper of the year honors went to Jim Kelly racing his Sonar 23 Soundwaves, for his sportsmanship and his improved showing in this summer's series.

We would like to thank Lindsay Huntoon and her stalwart dock crew of Dan Doucette, and Jackie Facey, for providing an excellent series of racing.
